SANDRA AND WALLY CHIPPIOR

We offer 2 log cabins on the spacious grounds of a century old farm nestled on Ferguson Lake where you can relax and enjoy swimming, boating and fishing. Each cabin sleeps up to 8 individuals and features a large windowed porch, refrigerator, gas range, microwave, BBQ and is fully equipped to handle your house keeping needs. There are 3 double bunk beds in each cabin plus a queen bed on the porch. There is running potable cold and hot water in cabin. We include WIFI and a smart TV that has a full featured satellite feed. Although there are NO in-cabin washrooms, we do provide a cabin-dedicated portion of a separate shower and washroom building in close proximity.

The sandy beach is ideal for children and adults alike to swim and there is a dock for diving or fishing. We have a raft out in the lake for more experienced swimmers. Along the water's edge we have plenty of loungers and seating as well as campfire pits with firewood included. You can soak up the sun by the beach, picnic in the shade of our willow trees or try your hand at a game of horse shoes and for the avid angler Ferguson Lake has pike, largemouth bass and walleye.

We are 25-45 minutes away from Logo's Land, Bonnechere Caves, Calabogie Motorsports Park, 5 golf courses (Dragonfly, Renfrew, Calabogie Highlands, Oaks of Cobden and Whitetail), hiking destinations, ATV trails and numerous other lakes and rivers. There are several quality dining establishments in nearby Calabogie and many more in Renfrew. Renfrew also has several large grocery and retail stores where you can find anything you might need during your stay.
