SANDRA AND WALLY CHIPPIOR

We offer 2 log cabins on a century old farm nestled on Ferguson Lake where you can relax and enjoy swimming, boating and fishing. Each cabin sleeps 6-8 individuals and features a large windowed porch, refrigerator, gas range, microwave, BBQ and is fully equipped to handle your house keeping needs. There are 3 double bunk beds in each cabin and a queen sized bed on the porch. There is running potable cold and hot water in cabin. Although there are NO in-cabin washrooms, we do provide a cabin-dedicated portion of a separate shower and washroom building in very close proximity.

The sandy beach is ideal for children and adults alike to swim and there is a dock for sunning, diving or fishing. We have a raft out in the lake for more experienced swimmers. Along the water's edge we have plenty of loungers and seating as well as campfire pits with free firewood. You can soak up the sun by the beach, picnic in the shade of our willow trees or try your hand at a game of horse shoes or for the avid fishermen Ferguson Lake has pike, largemouth bass and walleye.

We are a 25-45 minute drive away from Logo's Land, Calabogie Motorsports Park, 5 golf courses (Dragonfly, Renfrew, Calabogie Highlands, Oaks of Cobden and Whitetail), hiking destinations, ATV trails and numerous other lakes and rivers.

Please visit our website where there are more photos and information as well as a calendar to see what dates are available for your next getaway. See our website, Facebook page and Google for reviews.

Our Policies

Covid Response

We take our health and the health of our guests seriously. We will perform a rigorous cleansing of the cabins and washrooms before each reservation. Each cabin has a dedicated portion of the washroom building to prevent any potential transmission between guest parties. For 2022 we hope that the virus pandemic will be somewhat tamed and so we will not be purposely inserting a vacant day between reservations. However if because of a resurgence there is an apparent need or regulation for a vacant day between back to back reservations, we reserve the right to insert a vacant day between reservations, effectively shortening existing reservations as needed.

Pricing Policy

We consider children 13 years of age and older as adults for the purpose of determining total cost of cabin rental. The cost for children 12 years of age and younger is \$7.50 per night. Unfortunately, our website cost estimate structure does not consider the number of children when formulating a total cost estimate. We reserve the right to inform the prospective guest of any additional costs based upon the makeup of the guest party.

Reservation Policy

A reservation deposit of \$200 or \$250 (dependent upon season) by cash, check, e-transfer, PayPal, or credit card (3% CC surcharge) is required to hold all reservations. The balance by cash, e-transfer, PayPal or credit card is required on or before arrival.

Cancellation Policy

The reservation deposit will be refunded if 60 days notice or more is given of a reservation cancellation. Refunds will be given if covid lockdowns are imposed. Otherwise the reservation deposit is only refunded if the cabin is successfully rented for the same time period by another party.
